Sin Heng and Kobelco Our partnership has reached a new peak with our

400th unit milestone

THE POWER OF COLLABORATIONS

This new milestone was the fruition of a dynamic partnership with Kobelco, who has consistently worked with Sin Heng to push the boundaries. Kobelco's growing R&D expertise and spirit of innovation continue to entrench its foothold as a world-leading crane manufacturer that delivers quality on time, every time. The quick-to-respond agility and problem-solving acumen of Kobelco Cranes South East Asia (KCSA) were also key to the success of the strategic collaboration.

The support of Sin Heng's customers has been phenomenal. They have shown their trust and confidence in the Company with their far-sighted investment in Kobelco cranes, each model a great feat of design and functional quality. Last but not least, the dynamic team at Sin Heng deserves the spotlight for the effusive enthusiasm and can-do attitude they have shown in raising the bar.

"We are pleased to congratulate Sin Heng, who has reached the 400th-unit milestone. Sin Heng's Chairman Mr Tan Ah Lye and Executive Director Mr Tan Cheng Guan have steered Sin Heng on an amazing journey of growth over the years. In today's challenging industry, they have shown exemplary leadership and extraordinary vision. Kobelco looks forward to creating bigger milestones with Sin Heng."

Mr Akihiko Tsukamoto
President and CEO, Kobelco Cranes

"We would like to express our heartfelt appreciation to our partners Kobelco and Kobelco Cranes South East Asia (KCSA) for working together with us to overcome challenges. We also want to extend our deepest sincere thanks to our supportive customers for believing in us and providing us with valuable feedback, as well as the very driven staff at Sin Heng who unfailingly rise to the challenge each time. We've set our sights on new goals and we're ready for more breakthroughs."
